GLASS OPPOSES ANY ALTERATIONS IN CURRENCY BILL

THE TIMES I OUNDED 1886. THE DISPATCH FOUNDED 1886

Predicts Demands of Expects to Remain Pris- Leaders Expect Final Chicago Bankers Will Be Rejected.

CONGRESS WON'T BE TURNED ASIDE

Its Purpose Is to Enact Legislation in Interest of All the People, Rather Than That Dictated by Banking Interests.

Populistic Appeals Also Resisted.

[Special to The Times-Dispatch.] sman Glass, chairman of the Bank-Currency Committee of the e, who is spending Sunday at his home here to-day, issued the following tatement in regard to the resolutions ently adopted by the bankers at

"I have carefully read the resolutions which a conference of bankers at Chicago adopted last week, asking certain alterations in the currency bill, now r not these resolutions represent the onsensus of banking opinion throughcut the country, I do know quite definitely that hundreds of bankers have indorsed the administration currency bill without qualification. The letter files of the Banking and Currency Committee completely justify this asser-tion. Indeed, until some of the big banks of the reserve and central reserve cities inaugurated a systematic campaign against the bill among their country correspondents, approval of the

"Assuming, however, that the bank-ers' conference at Chicago did reflect the banking opinion of the country, I do not think Congress will be turned aside from its purpose to enact cur-rency legislation in the interest of all the people, rather than legislation dic-

und legislation along what ture to be popular lines; but ell be understood that we do intend to be driven into the other

the Banking and Currency Committee every detail of the pending safely assume to say something about the attitude of the House.

bankers which was not carefully con-sidered and fully discussed by the Banking and Currency Committee and

gress were rejected after due de-ration. Some of the atterations proby the bankers have already ade, not because they were dedeby the bankers, but because seemed to the committee wise and rable. They were agreed upon bethe action taken at Chicago by bankers. We have provided a ers' council; have reduced the rerequirements of country banks 15 to 12 per cent, and of reserve and central reserve city banks 25 to 18 per cent; have authorthe Federal reserve board to proa graduated penalty on all banks h fall below reserve requirements: raised the limit of farm loans nine to twelve months; have the dividend limit to memhanks by readjusting the provision of the bill relating to earnings, and have, because it seemed right, done other things that radicals opposed while the banking interests approved. In addition to the things done by the committee and the party caucus in conwe have resisted every effort to impair ment.

to be sent to their homes for treatthe Attorney-General, said to-day:
"The report that Mr. McReynolds conhave resisted every effort to impair | ment. he strength and saneness of the leasure by loading it down with wild and dangerous expedients. Of this fact the bankers seem to have taken little the bankers seem to have taken little authorities meanwhile had prohibited come. It is possible that there are in-

A meeting was held at Croyden Park without disorder. But on the return march attempts of the police by baton charges to disperse the con-They come forward now with renewed demands, threatening to defeat the bill if they are not complied with. As already stated, the proposals have repeatedly been considered by the administration and by the Banking and Currency Committee of the House, acting in concert with the chairman of the Banking and Currency Committee of the Senate. They were pressed upon us by some of the most eminent bankers in the country and rejected because ers in the country and rejected because they were regarded as neither wise nor expedient. Only two of these many proposals were stated to be fundamen-One related to banking represention on the Federal reserve board, it is a construction on the Federal reserve board, it is a construction on the Federal reserve board, it is a construction of the city. The police charged repeatedly with their sticks, and this led to pitched battles. Stones, brickbats and bottles were hurled by the infuriated rioters, and the streets were soon covered with prostrate the construction of the city. INCOME TAX FIGHT LAST BIG CONTEST BEFORE PASSAGE

Action on Tariff Bill This Week.

CHANGES FORCED BY "INSURGENTS"

Will Be Reported to Democratic Caucus To-Day-Preparations Under Way for Taking Up Currency Reform Measure in Senate.

crats to be held late to-morrow or demands of the "insurgents," worked throughout to-day over those and other features of the tariff bill, and will be ready to report to the caucus by tomorrow evening

As a result of the fight led by Sen-ators Reed, Vardaman, Thompson, Ashurst and others of the so-called "Insurgent" forces, the bill will be re-vised as to its income tax provisions, vised as to its income tax provisions, and a heavier tax levied on large incomes. This change will be against the judgment of many of the party leaders who helped to frame the bill, and who point out that its proposed 4 per cent tax on incomes over the \$100,000 is as high as the tax in other New York State had overshot the mark Senators La Follette, Bristow, Borah and others.

It is expected that the caucus will one of the Democratic members of the found by kept in jail here until October.

The prisoner's lawyers also asserted figure up to 7 per cent on those above that the writ of baheas corpus would be the private option of the private option option of the private option opt tee, who have so far firmly resisted populistic appeals to the prejudice for annual series of the prejudice for an our purpose not to yield to unasonable demands on the part of pankers. Gracious knows, we have exhibited little enough respect for demands of the immigration authorities, thus presidently a few incomes in this country, many of the immigration authorities, thus presidently a greater increase after the \$100,000 figure is reached, so that the tax would be reported that agents of Thaw are getable 10 per cent or even more above in the president of the prisoner's lawyers also asserted figure up to 7 per cent on those above \$500,000. As this latter tax would rail to place their client in the hands strike only a few incomes in this country, many of the insurgents institute of the president of the place their client in the hands strike only a few incomes in this country, many of the insurgents institute of the place their client in the hands strike only a few incomes in this country, many of the insurgents institute of the president of the place their client in the hands and the place their client in the hands are placed to the prejudice for the place their client in the hands are placed to the prejudice for the place their client in the hands are placed to the prejudice for the placed their client in the hands are placed to the prejudice for the placed their client in the hands strike only a few incomes in this country, many of the insurgents institute of the prejudice for the placed their client in the hands strike only a few incomes in this country, and the placed their client in the hands strike only a few incomes in this country, and the placed their client in the hands are placed to the placed their client in the hands are placed to the placed their client in the hands are placed to the placed their client in the hands are placed to the placed the
